

20th Anniversary Platinum Celebration

Million Dollar Milestone

Golf-A-Thon benefit for The Navigators

Monday, September 19th, 2011 (rain or shine)

MichiganNavGolfathon.com

What began in 1992 as a Golf-A-Thon where golfers received pledges per hole played has now grown into a scramble event inviting players to enjoy a great day of golf, a silent auction, prizes and a buffet luncheon featuring **Frank Tanana, former pitcher with the Detroit Tigers.**

In the past 19 years, more than 500 golfers have played in our annual Golf-A-Thon, raising \$920,000 to benefit the work of The Navigators. This year we are planning a special **20th Anniversary Platinum Golf-A-Thon celebration on Monday, September 19th, 2011** with the goal of raising \$80,000 to reach our **Million Dollar Milestone.**

***Would you help us celebrate this momentous occasion
by generously becoming one of our sponsors
or joining us for a spectacular day of golf?***

The day includes an 18-hole scramble in either the morning or afternoon and a buffet lunch program celebrating our theme: ***Go for Generations—The Legacy of The Navigators.***

Generations is a core value of the worldwide ministry of ***The Navigators.*** Our goal is to help others build strong foundations for life through a transforming relationship with Jesus Christ, and then to see those we have helped reach out to impact the lives of others. The Bible verse 2 Timothy 2:2 has been one of our guiding principles ... "What you have heard from me before many witnesses, entrust to faithful men who will teach others also." One of our long-term staff once said, "If it is not generational, it is not Navigators."

Frank Tanana has been personally impacted through this generational work of The Navigators, and is now actively passing on to others the help he has received. You will be challenged by his story.

Each scramble is limited to 72 golfers. ***Golfers signing up by June 15th receive a discount.***
